

**ACTION
RÉFUGIÉS
MONTREAL**

Action Réfugiés Montréal is a voice for refugees in Montréal and beyond that seeks justice for asylum-seekers and refugees. Through Detention, Sponsorship and Twinning programs ARM provides hope and assistance while raising awareness.

In the Refugee Detention Centre, ARM provides legal information to detainees. They make sure detainees are being treated fairly, paying particular attention to those vulnerable such as pregnant women and children.

It helps create a social support system for women through its Twinning Program which matches refugee women with female volunteers, generating friendships and connections through regular meetings.
